

## Fixer Upper Challenge

1. Divide teachers into groups of 4 by grade level or subject taught.
2. Your challenge is to take an existing lesson from one of your group members and redesign it to better incorporate one of your school's NEE focus indicators.
3. You have \_\_\_\_\_ minutes to plan the lesson.
4. Choose a group reporter who will describe the lesson to the whole group.
5. Your school's focus indicators are:
  - a.
  - b.
  - c.

Circle a, b, or c to show which you have selected.

6. You can outline your revised lesson on the back of this sheet.
